

Soft Recycling

The Village of Highland Hills and Simple Recycling make available a new way to recycle your clothing, shoes, accessories, linens and other household discards such as kitchenware, tools, toys, homegoods and books. Anything one person can pick up. Green bags are provided to residents. Whenever you use the Simple Recycling Collection bags, the collecting driver will leave another bag for you. If you need more bags between pick-ups, call Jane Pierce - Village Hall 216-283-3000. Leave the green bags curbside on the same day you place out your recycling for collection.

Robert L. Nash, Mayor

Household Hazardous Waste Round Up

Twice a year, residents may participate in round ups for oil-based paints, pesticides, ect. (NO LATEX PAINTS).

Watch for dates. Oil based Paint: Pour into one can.

When empty cans are dry, put with regular trash.

Latex Paint: Dry out and put with regular trash.

To dry out, mix with sawdust or kitty litter. Call

Service Department for questions about

hazardous waste 216-662-5014

Scrap Tire Round Up

Usually, in September, residents will be informed about scrap tire round ups. Watch for dates.

(TIRES ON RIM NOT ACCEPTED).

DO RECYCLE

Below are the common recyclables that all communities collect for recycling. Items should be commingled (single-stream) and then placed loose in blue bin or blue bags. Follow these simple guidelines to make sure you recycle correctly. Sometimes this means leaving certain items out of your recycle bin, like the things on the “unacceptable” list in the red circle, that contaminate the recycling stream. Please recycle often and recycle right.

Plastic food, beverage, and detergent containers

Milk & juice cartons, juice boxes

Aluminum cans

Metal food cans

Glass bottles and jars

Cardboard boxes, flattened

Mixed paper, junk mail, magazines, catalogs

Boxboard, cereal boxes, toilet paper tubes

Drop-off Recycling

Large Styrofoam • Ink Cartridges • Toner:

Highland Hills Municipal Complex,
3700 Northfield Road, 216-283-3000

Special Recycling Collections

Computers • HHW • Scrap Tires:

Highland Hills Service Department, 216-662-5014
